

DAVID G. HAVLICK
Department of Geography and Environmental Studies
University of Colorado Colorado Springs
dhavlick@uccs.edu
(719) 255-4906

EDUCATION

Ph.D. University of North Carolina, Geography
M.S. University of Montana, Environmental Studies
A.B. Dartmouth College, English; certificate in Environmental Studies

Areas of Specialization:

Militarized Landscapes; Ecological Restoration; U.S. Public Lands; Conservation Policy; Sustainability; Political Ecology

PROFESSIONAL EXPERIENCE

Professor of Geography and Environmental Studies, University of Colorado Colorado Springs Courses include: Restoration Geographies; Militarization, Environment, and Society; Conservation and U.S. Public Lands; World Regional Geography; Qualitative Methods; Cultural and Political Ecology; and Intro to Environmental Studies and Sustainability	2017-present
Associate Professor of Geography and Environmental Studies, University of Colorado Colorado Springs	2013-2017
Assistant Professor of Geography and Environmental Studies, University of Colorado Colorado Springs	2007-2013
Visiting Assistant Professor, Colorado College Co-taught summer courses titled, "Ecological Restoration: Ecology, Philosophy, and Society" (2013); "Nature and Society in the Colorado Rockies: Water, Wildlife, and Recreation" (2007)	2007, 2013
Faculty Editor, State of the Rockies Report Card, Colorado College Supervised student research and writing of annual report card, assisted with fall speaker series and spring conference, edited final report for publication.	2007-2008
Colket Fellow in Reading and Rhetoric, Colorado College Provided workshops, tutorials, and auxiliary courses focusing on critical reading skills across the liberal arts curriculum.	2006-2007
Block Visitor, Colorado College, Southwest Studies Taught course titled, "Public Lands of the Southwest."	Fall 2006

Lecturer, University of Colorado-Colorado Springs, GES Taught two courses: Introduction to Human Geography and World Regional Geography.	2006-2007
Lecturer, Brandeis University, Environmental Studies Taught one course: People, Places, and Environment: The Geography of World Regions.	Spring 2006
Teaching Fellow, University of North Carolina, Geography Taught three courses: World Regional Geography, summer session and fall semester 2004; Environmental Conservation in spring 2005.	2004 - 2005
Graduate Research Consultant, University of North Carolina Designed research-based learning opportunities at UNC for courses in Political Geography and Environmental Politics.	2003-2004
Teaching Assistant, University of North Carolina Assisted courses in Weather and Climate; Environmental Conservation; World Regional Geography; and Political Geography.	2002-2004
Special Projects, Island Press Conducted research for projects such as the Consortium on Biodiversity and Land Use, and the Consortium on Teaching and Learning.	2002-2004
Library Associate, Forest History Society Researched and wrote content for projects in the U.S. Forest Service History collection and a history of the Biltmore Forest School.	2001-2002
Assistant to the President, Sierra Club Managed the President of the Sierra Club's Missoula field-office.	Summer 2001
Newsletter Editor, Wildlands CPR Edited and produced <i>The Road-RIPorter</i> , a bi-monthly publication on the science, politics, and philosophy of limiting the impacts of roads and off-road vehicles.	1996-2000
Roads Scholar Project Coordinator, Predator Conservation Alliance Supervised field inventories of 3-15 people, conducted road density studies, developed GIS maps, and directed public outreach to protect wildlife habitat from excessive forest roads and motorized vehicle use.	1994-1998
Field Instructor, Wild Rockies Field Institute Taught more than 20 field-based academic courses through University of Montana Extended Studies and departments including Environmental Studies, Geography, and Forestry.	1994-2003
Director, Wild Rockies Field Institute Co-founded and directed this non-profit educational organization from its inception.	1993-1997

As a graduate student, taught six sections of freshman composition for the English Department.

Hourdequin, Marion and David Havlick. 1997. "Teaching Restoration in Greater Yellowstone: Lessons from the Field," Society for Ecological Restoration, International Conference, Ft. Lauderdale, FL.

GRANTS AND RESEARCH

a. Grants Received:

2019-2021 – "Wild Trout: Conservation, Restoration, and the Molecular Turn," \$208,988, National Science Foundation, Science and Technology and Society Division (with Co-PI Christine Biermann).

2015-2020 – Joint Venture Agreement with USDA-Forest Service Pacific Northwest Research Station, "Palliative Nature: Long-Distance Outdoor Experiences as Therapy for PTSD," (with co-PIs Lee Cerveny and Monika Derrien) \$23,998.

2015 – UCCS Compass Curriculum course development grant, "Introduction to Environmental Studies and Sustainability" for Inclusiveness and Sustainability components of the new campus-wide general education curriculum, \$1000.

2015 – UCCS Global Intercultural Research Center, "Commemoration and Reuse of Militarized Sites in Japan," \$3,880.

2014 – UCCS Compass Curriculum course development grant, "Qualitative Methods in Geography" for Inclusiveness component of the new campus-wide general education curriculum, \$500.

2013 – UCCS Committee on Research and Creative Works, "The Iron Curtain Trail: Exploring Landscapes of Conflict, Conservation, and Memory," \$3,400.

2013 – American Geographic Society McColl Family Fellowship: roundtrip airfare for research project on the Iron Curtain Trail, Slovakia-Germany (approx. \$1900).

2010-2014 – National Science Foundation; Science, Technology and Society division, “Authenticity and Historical Fidelity in Ecological Restoration: The Case of Former U.S. Military Lands,” (with Co-PI Marion Hourdequin, Dept. of Philosophy, Colorado College): \$244,881.00.

2012 – UCCS Green Action Fund, “UCCS Wind Power Initiative,” to purchase and install two wind power producing turbines for the main UCCS campus (with Kevin Gilford, UCCS Office of Sustainability): \$47,318.

2009-2010 – UCCS Teaching Enhancement Award, “Enhancing Teaching in Sustainability and Geography: Wind Power Pilot Study,” to purchase a data-logging anemometer. \$475.00.

2009-2010 – UCCS Student Achievement Assessment Committee, “Assessment and Enhancement of the UCCS Minor in Sustainable Development,” to hold a faculty retreat and develop a student assessment for the Sustainable Development minor. \$1,450.00.

2005-2006 – National Science Foundation, Science and Technology Studies, Doctoral Dissertation Research Improvement grant #0521728, travel and research support for “Bombs Away: New Geographies of Military-to-Wildlife Conversions in the United States.” Co-PI (dissertation advisor listed as PI, per NSF requirements). \$5,215.00.

2004 – Eyre Travel Grant, Department of Geography, University of North Carolina-Chapel Hill. To conduct research at the Rocky Mountain Arsenal, Colorado. Approx. \$800.

2002 – Intellectual Life Grant, Johnston Center for Undergraduate Education, University of North Carolina-Chapel Hill. To create and host an Environmental Geography Film Festival. Approx. \$1,200.

2001-2002 – U.S. Environmental Protection Agency Environmental Education grant #NE-98843301-0, for curriculum development and teacher scholarships to create and lead an “Ecological Education Afield” course to train secondary science teachers in field-based teaching techniques. \$3,164.00.

2001-2003 – Summerlee Foundation. To develop an environmental history unit for a semester-length course on the natural history, ecology, and natural resource issues along the Texas-Mexico borderlands. \$4,500.00.

2001 – National Fish and Wildlife Foundation, Conservation Education and Habitat Protection/Restoration grant for “Restoration Ecology in Greater Yellowstone” course (with Marion Hourdequin). \$4,800.00.

2000-2001 – The Mountaineers Foundation, to support research and writing of *No Place Distant: Roads and Motorized Recreation on America’s Public Lands*. \$1,000.

b. Proposals Submitted:

“Learning from the Past and Building for the Future: Designing and Disseminating Measures of Environmental Transparency,” Senior Personnel, \$228,627 submitted August 2019 to National Science Foundation, Science and Technology and Society Division (Irina Kopteva, PI).

“Fish Gone Wild: Ecological Restoration and Rewilding of Trout,” \$90,906 submitted February 2018 to National Science Foundation, Science and Technology and Society Division [denied].

“Geographies of Commemoration and Militarization in Japan,” National Endowment for the Humanities, Fellowships for Advanced Social Science Research on Japan. Submitted April 2016 [denied].

“Leaf to Landscape: A Multi-Scalar Assessment of the Impact of Urban Plant Selection on Water Resources in the Fountain Creek Watershed, Colorado,” \$308,273.00 submitted November 2014 by C. Gibbes (PI), J. Harner, D. Havlick, and C. Holder (co-PIs) for NSF Coupled Natural and Human Systems grant [denied].

“Leaf to Landscape: Assessing Changes in Land Use, Land Cover, and Water Resources in the Fountain Creek Watershed, Colorado,” \$1,194,340.00 submitted November 2013 by C. Gibbes (PI), D. Havlick, C. Holder, and J. Harner (co-PIs) for NSF Coupled Natural and Human Systems grant. [denied].

“Leaf to Landscape: Assessing Changes in Land Use, Land Cover, and Water Availability in the Fountain Creek Watershed, Colorado,” \$967,500.00 submitted November 2012 by C. Gibbes (PI), D. Havlick and C. Holder (co-PIs) for NSF Coupled Natural and Human Systems grant. [returned].

“Sustainability, Technology, and Militarization,” \$419,087.00 submitted July 2011 for NSF CAREER grant in STS. [denied]

“Restoration Ethics on Transitioning Military Lands,” \$5,710 submitted 2009 to UCCS Committee on Research and Creative Works [denied]

“Army Green: Sustainability and Environmental Responsibility in the Military,” \$4,910 submitted 2008 to UCCS Committee on Research and Creative Works [denied].

c. Other indicators of quality of scholarship:

- *No Place Distant: Roads and Motorized Recreation on America’s Public Lands* (Island Press, 2002)
 - Cited in brief No. 03-101 for 2004 U.S. Supreme Court case, *Gale Norton v. Southern Utah Wilderness Alliance*
 - Reviewed in numerous publications including: *Restoration Ecology*, *High Country News*, *Boulder Daily Camera* (and via AP wire dozens of print and online media), *Great Falls Tribune*, *Mountain Gazette*, etc.
 - According to World Cat, 543 library holdings worldwide.
 - Google Scholar citations: 108, including articles in *Science*, *Environment*, *International Journal of Global Environmental Issues*, *Frontiers in Ecology and Environment*, *Ecological Economics*, *Earth Surface Processes and Landforms*, *Rangelands*, *International Journal of Wilderness*, and the book *Road Ecology*.
 - Referenced in numerous state, federal, and international land use planning documents.
- Co-authored article in *Science* published in 2008; Google Scholar citations to date: 59
- Reviewer for *Cultural Geographies*, *Environmental Management*, Island Press, *Conservation Ecology*, National Science Foundation, *Social Studies of Science*, *Environmental Reviews*, *Geographical Review*, *Environment and Planning A*, *New Zealand Geographer*, *Ecological Restoration*, *Geoforum*, Continuum Press, *Journal of Environmental Management*, University of Chicago Press.

COURSES TAUGHT

UCCS, 2006-present

GES 1500: Introduction to Environmental Studies and Sustainability
GES 1980: World Regional Geography
GES 1990: Intro to Human Geography
*GES 4020/4020: Qualitative Methods in Geography
GES 4800: Sustainability Seminar
*GES 4420/5420: Conservation and U.S. Public Lands
*GES 4560/5560: Cultural and Political Ecology
*GES 4750/5750: Recreation, Tourism, and the Environment
*GES 4650/5650: Restoration Geographies
*GES 4570/5570: Military Geographies (renamed in 2012 to Militarization, Environment, and Society)
*GES 4770/5770: Geographic Thought

Colorado College, 2006-2007, 2013

Public Lands of the Southwest
^Nature and Society in the Colorado Rockies: Water, Wildlife, and Recreation
^Ecological Restoration: Ecology, Philosophy, and Society

Brandeis University, 2006

People, Places, and Environment: The Geography of World Regions

University of North Carolina at Chapel Hill, 2004-2005

Environmental Conservation
World Regional Geography (2 times)

University of Montana (including Extended Studies courses offered by Wild Rockies Field Institute), 1990-2003

^Winter Ecology of the Northern Rockies (4 times)
^Public Land Policies and Laws of SW Montana
^Environmental Geography of Central Montana
^*Ecological Education Afield (2 times)
^Restoration Ecology in Greater Yellowstone (3 times)
^Literature and Ecology of Baja California (2 times)
^*Resource Issues of Southeast Alaska (3 times)
^Public Lands and Ecology of the Colorado Plateau
^Geography of the Colorado Plateau
^History and Prehistory of the Colorado Plateau
^Natural History of the Chihuahuan Desert
^Environmental Geography of the Texas-Mexico Border Country
^Environmental Ethics
^Nature and Society of the Desert Southwest
^Coast, Forest, Mountains: The Olympic Peninsula
^Mountain Ecology of Southwest Montana
^Wilderness Canoeing
^Montana's Indians: Relationships with the Land
English Composition

*indicates grad/undergrad; all others undergrad only

^ indicates course was co-instructed

RECOGNITIONS

- Finalist, Colorado Book Award for general non-fiction (*Bombs Away: Militarization, Conservation, and Ecological Restoration*), Colorado Humanities
- J.B. Jackson Prize, American Association of Geographers (for *Bombs Away: Militarization, Conservation, and Ecological Restoration*), 2018
- Faculty Award for Excellence in Research, UCCS, 2015-2016
- Outstanding Research and Creative Works, College of Letters, Arts, and Sciences, UCCS, 2013-2014
- Faculty Volunteer Award, UCCS Office of Sustainability, 2012
- Scholars for Tomorrow, Environmental Concerns Fellowship, University of North Carolina, 2002-03

PROFESSIONAL ORGANIZATIONS

American Association of Geographers
Society for Ecological Restoration International

SERVICE

- City of Colorado Springs Stormwater Advisory Committee, 2018-present
- UCCS Faculty Assembly, LAS Representative, 2018-present
- Graduate Director, UCCS Applied Geography MA Program, 2016-2019
- Director, UCCS Sustainable Development Minor, 2008-2019
- UCCS Chancellor's Climate Advisory Board, 2013-2015
- UCCS Sustainability Committee, 2007-present (chair: 2014-2016)
- UCCS Recreational Trails Advisory Committee, 2012-present
- Meridian Book Award Committee, Association of American Geographers, 2013-2016
- Board of Directors, Rocky Mountain Field Institute, 2009-2015
- Board of Directors, Catamount Center for Geography of the Southern Rockies, 2008-present
- UCCS General Education Task Force, 2008-2014
- Globe Book Award Committee, Association of American Geographers, 2008-2011
- Board of Directors, Wildlands CPR, 2002-2007
- Founding President and Board Member, Wild Rockies Field Institute, 1993-2004; Advisory Board, 2005-2016
- Faculty Affiliate, University of Montana, Environmental Studies Program, 1994-2002
- City of Missoula Bicycle-Pedestrian Advisory Board, 1999-2001
